

## Residence Visa

The Residency Visa is conceded to foreign citizens who want to set up residence in Angolan territory.

The residency visa is granted to foreign citizens who want to take up residence in Angolan territory. It must be used within 60 days after it is granted and enables the holder to stay in the national territory for a period of 120 days, renewable for equal periods, until the final decision of the application for a residence permit. The residence permit will entitle the applicant multiple entries.

The residency visa entitles the holder to exercise remunerated professional activity.

Applicants are advised that possessing a airfare ticket does NOT entitle the granting of the visa.
